

What is Ruuti Budget?

♡♡ Ruuti Budget is a tool to shape Helsinki in the image of the young

- Within Ruuti Budget, the young are able to present ideas and to vote for proposals about means to develop young people's leisure time and services and the city from a young perspective.
- Through Ruuti Budget you can have a say on the spending of the youth services' operations in the districts. In addition, 150,000 euros will be allocated for larger plans.
- In 2018, more than 10,000 young participated in deciding the makeup of the Ruuti Budget. The young do also take part in the implementation of the plans.

♡♡ Vote and influence!

- The voting in October is about what plans to implement next year.
- Pupils in 6th to 9th grades are eligible to take part in the Ruuti Budget ballot.
- The OmaStadi platform will automatically direct you to vote for proposals concerning the Ruuti Budget of your own district. You are entitled to vote for three proposals.

What is Omastadi?

♡♡ OmaStadi is Helsinki's way of doing participatory budgeting

- Annually Helsinki spends 4.4 million euros on implementing ideas put forward by residents of Helsinki.
- The sum is allocated to the seven districts according to their number of inhabitants. Moreover, there is a sum that has been reserved for plans that are relevant to the city as a whole.
- The city residents have brainstormed and drawn up plans using the OmaStadi.hel.fi site as a tool.

♡♡ Vote and influence!

- The voting in October is about what plans the City will implement.
- You may vote in the district of your choosing and in all of Helsinki.
- As you go about voting, you may choose several plans until you have used up the sum that had been allocated to the district.
- The plans with the most votes will be carried out.
