

The screenshot shows the top navigation bar of the OmaStadi website. It includes the Helsinki logo, the OmaStadi 2020-2021 title, language options (Suomi, English, Svenska), and links for Help and Sign in. A large banner features three smiling people against a colorful, abstract background. A red box highlights the 'Start voting' button, with a red arrow pointing to it from below. Below the banner, a timeline shows four stages: 1. Brainstorming (2020-06-02 - 2020-08-04), 2. Cocreation (2020-12-07 - 2021-02-28), 3. Voting (Autumn 2021), and 4. Implementation (End of 2021). The 'Voting' stage is highlighted with a pink diamond and a red arrow pointing to the 'Start voting' button.

Voting

Strong identification

2.

To be able to vote in OmaStadi, you must first verify your identity. OmaStadi uses strong authentication, as only Helsinki residents aged 12 or over are entitled to vote. By verifying your identity, we make sure that you are entitled to vote. Pupils can verify their identity with their personal Wilma IDs.

Bank ID or mobile ID

Wilma ID for school students

What to do if you have problems with authentication?

If you have problems with authentication, please contact us by sending an email to omastadi@hel.fi. You can also vote at a polling station by showing your ID. You can find details of all the [polling stations and voting periods](#) in the instructions on the event page.

2. Hääletamiseks peate end autentima. Seda saab teha pangatunnuste või mobiil-ID abil. Vanemad kui 12-aastased koolilapsed ja teise taseme õppurid saavad logida sisse Wilma kasutajatunnustega.

Terms and conditions

By signing in to the service, you agree that proposals and comments submitted by you may be published under your name, and texts written by you may be edited or deleted by moderators, if they are deemed to be abusive or inappropriate. Your personal data are not disclosed to external parties or used for other purposes than matters concerning the usage of the OmaStadi service.

Using another person's name without their permission is forbidden. Everyone is individually responsible for the consequences of using another person's name without permission. The online service is provided by the City of Helsinki. You can give feedback about the online service by following the Feedback link on every page.

Signing up

You will need to sign up for the service if you want to submit or comment on proposals, participate in discussions or report inappropriate texts. Signing up requires an email address, to which the password for signing in will be sent. The user can register to the Omastadi service in two alternative ways:

- The Tunnistamo service allows registration with accounts of external service providers (YLE, Google, Facebook), the AD-codes for city employees and edu.hel.fi codes used in the schools of Helsinki.
- The user can create an individual account in the OmaStadi service. The user then chooses a username and a password. The user must verify his or her e-mail address by following the link in the message sent by the service when registering.

The first log in through the Tunnistamo service is the same as as registration.

User's responsibility

All users have the full responsibility for their own writings and for the content of these.

As a user you agree and promise, regarding any content that you produce or submit, such as texts, pictures, videos, other attachments and materials (together called 'Material' here), to observe good manners and current legislation.

By loading or otherwise submitting Material to the service you agree that any Material subject to copyright is licensed with the **Creative Commons Attribution-NonCommercial-ShareAlike 4.0 International Public License** [u](#) (CC BY-NC-SA 4.0).

As a user you take full responsibility for and guarantee that you own the rights for submitting the Material to the service, and that the Material itself or its being submitted to the service does not violate others' immaterial or other rights.

Personal data file description

If you become a customer of the City's services or use the services in another manner, the City will collect your personal data only to the extent necessary for the purposes of providing these services. The data are collected in different registers according to the purpose of use of the data. The registers' personal data file descriptions can be found at www.hel.fi/rekisteriseloste. The page includes the personal data file description for [Participation and feedback on the Omastadi website](#). More information [about the relevant rights as stated in the EU General Data Protection Regulation](#) in the online services of the City of Helsinki.

Cookies

Cookies are files stored on the user's device by the browser. Cookies are used to enable features that make the use of the service easier and to collect data on users in order to improve the service. Cookies allow us to provide you with a more easy-to-use and functional website that meets your demands more efficiently.

Regarding the collection of user data, cookies include anonymous unique identifiers that allow us to collect data about users who visit our website, such as information on their browsers and devices. The administrators of the website do not have access to the users' unique identifier data. Cookies provide us with information about the browsers used on our sites and what pages are viewed the most.

This website also includes content provided by external online service providers. External online service providers can install their own cookies on browsers. For example, this website uses the Here Maps map service and its map data.

Content licensing

Any creative content subject to copyright, such as texts, pictures, fonts, sound recordings and videos, that is submitted to the service by the user is published on the terms of the [Creative Commons BY-NC-SA 4.0](https://creativecommons.org/licenses/by-nc-sa/4.0/deed.en) licence: <https://creativecommons.org/licenses/by-nc-sa/4.0/deed.en>.

All data in the service are published as open data, on the terms of the Open Data Commons Open Database Licence (ODbL).

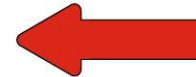

The illustrations on the website have been produced by visual artist Minna Alanko.

6. Helsingi linna ühiseid ettepanekuid saavad hääletada kõik inimesed.
7. Lisaks saab igaüks hääletada ühe hääletamispiirkonna ettepanekuid. Süsteem pakub elukohajärgset hääletamispiirkonda, aga soovi korral võite selle menüüst mõne teise vastu vahetada.
8. Nupust „Info“ saate avada loendi, kus on kirjas, millisesse hääletamispiirkonda linnaosad kuuluvad.
9. Kui olete hääletamispiirkonna valinud, liikuge järgmise etapi juurde.

14.

12. Otsing kuvab teile ettepanekuid ja nende põhiandmeid. Kui soovite ettepanekuga lähemalt tutvuda, võite avada selle täisandmed eraldi aknas.
13. Kui soovite ettepaneku välja valida, vajutage selle juures nupp „Lisa hääletuskorvi“. Võite tutvuda mitme ettepanekuga ja neile hääle anda, kuni olete täitnud valitud piirkonna ja kogu linna ettepanekutele eraldatud eelarvete summad.
14. Hääletuskorvi valitud ettepanekuid tutvustatakse lehe lõpus. Võite liikuda sinna ise või vajutada nupp „Ava hääletuskorv“.

15. Korvis kuvatakse kõik teie valitud piirkondlikud ja ülelinnalsed ettepanekud. Lisaks esitatakse iga piirkonna eelarve ja see, kui palju teil on veel eelarves ettepanekute jaoks raha. Kui soovite veel ettepanekuid korvi lisada, võite naasta lehe algusesse ning otsida ja valida ettepanekuid seni, kuni eelarvet jätkub. Te ei pea kogu eelarvet ära kasutama.
